

Table for model performance for each group on original testing set. "White" and "Black" represents two race groups, "Diff" represents the difference between two groups								
Org			SP	TPR	FPR	Acc	F1	AUC
	Prompt1	White	0.2756	0.4398	0.1572	0.6740	0.5306	0.6413
